Amalgamated Security Services Limited (ASSL) hosted its Annual Cocktail Reception & Chairman's Special Awards Ceremony 2019 for more than two hundred of its employees including directors, managers, coordinators, other staff members and specially invited guests at the Kam Wah Restaurant in Port of Spain. ASSL Director Mrs. Justine About-Chameley kept patrons well informed throughout the formal activities and continued to keep the 'vibe alive' during the party segment with her exquisite charisma and charm. ASSL's Chief Executive Officer Mrs. Pamela Hosein and Chief Operations Officer Mr. Curtis Cummings reminded the audience of the importance of team work and the fulfillment of the company's aims and objectives whilst maintaining an environment of quality, standard and accountability. Executive Chairman Dr. Michael About (Hon.) elucidated his goals for the company for 2020 and onwards, before the activities continued with the awards for outstanding employees. Dr. About congratulated the awardees on their exemplary performance and thanked them and all their colleagues for the contributions made to the continued success of Amalgamated Security, locally and regionally. The festive event then went on to a sumptuous dinner and some beautiful entertainment by Johann Chucharee playing a mix of classic songs with a local twist on our national instrument, the steel pan.
