# Thank You

Your contribution to the company's growth may be measured in targets and KPIs but your contribution to the office floor is measured in the positive feedback we receive from your colleagues.

Thank you and congratulations for winning the appreciation of your teammates. We wish to thank the Chairman, Dr. Michael Aboud for being our featured speaker and the Management and Staff of Amalgamated Security Services for their unselfish dedication to duty.

Sincere thanks to the staff of the Marketing, Information Systems, Asset, Maintenance and Training Department, ushers, stage assistants, photographer, Masters of Ceremonies and all other volunteers who worked on the planning and execution of this event. To our other special guests, thank you for attending and making today's ceremony so very special.
