Sponsored by Amalgamated Security Services Ltd., the event underscored the importance of fostering both academic achievement and extracurricular success. The awards ceremony highlighted not just top academic performers, but also students excelling in sports, music, and the performing arts, with each award serving as a recognition of dedication, perseverance, and character.

Several prestigious awards were presented, including prizes for best academic performance, consistent effort, and progress in individual subjects. Special accolades were also given for **Artist of the Year**, **Sportsman of the Year**, **Musician of the Year**, and

the **Performing Arts Award**, honoring students whose creative talents had shone throughout the year. The **Most Outstanding at CSEC and CAPE** awards celebrated exceptional academic achievements in the Caribbean Secondary Education Certificate and the Caribbean Advanced Proficiency Examination.

The event also saw the presentation of the **Best Academic Performance Overall**, **Principal's Award** and the **Paul Borely Award**, recognizing students who had demonstrated outstanding leadership and commitment to their school community.

In his speech, a representative from the **Catholic School Board**, along with speakers from the **Ministry of Education, Parent-Teacher Association**, and **ASSL**, encouraged the students to continue striving for excellence, regardless of their past or present circumstances.
